REPERTOIRE

This list represents a small sample of our repertoire. Because we are always trying to make it better we reserve the right to change this list without prior notification. Songs are sorted in alphabetical order by song title.

Don't forget that the band love learning any requests. We are always expanding the repertoire and we'd love to hear your suggestions for new songs to play.

If you would like us to learn some songs for your private party or function we'd be delight to oblige. BUT, do make sure you give us plenty of notice. We need at least three months notice (and more at busy times like Christmas and the summer months). And don't forget that just because a song is on this list it does NOT necessarily mean that it is CURRENTLY in the repertoire. In otherwords, if we haven't played it for a few months we'll need time to re-learn it. Call or email for more details.

And don't forget our new Live Band Karaoke option. You too could be a star for a night (well, maybe part of the night to be strictly accurate).
